

Post Digital

a'21 amberNetworkFestival with the theme

Ignorance

took place between the 10th of March and 16th of May 2021 in the network nodes

amberPlatform (Istanbul), Darağaç (Izmir), New Media society (Tehran), DAH Project (Shiraz), KounAktif (Casablanca), BAAB (Khartoum), Shahraban (Baalbek), Bishkek

Contemporary (Bishkek) and ADEF (Cairo, Berlin) and the producer Oyoum (Berlin). All events were broadcasted online. As a

truly

decentralized

and international festival, a'21 was taking place at a very

curated

special time, in line with the spirit and conditions of the time. Network members

a'21

content collectively and each node created as well as produced content in their local context. a'21 situates the lab in the core of the festival

where invited participants from all

network nodes

collectively

research

, create and produce as well as curate and perform. The lab took place between 10th of March

and 18th of April 2021 and followed by an online exhibition on

amber
